SPONSORSHIP PROGRAM

The Holy Prophet Mohammad ﷺ said, "He who helps to remove the hardship of a fellow Muslim, will have his/her difficulties removed by Allah ﷻ in this world and the hereafter." *(Sahih Muslim)*

Here at Darul-Uloom, we have many students coming from an array of family backgrounds. Some of our students are underprivileged or orphaned and cannot afford to pay their fees. We request and urge you on their behalf to sponsor them. The full sponsorship includes all their necessities such as food, boarding, tuition, books, etc.

The Hafiz course (Memorization of the Holy Qur"an) takes approximately three years and the Alim course takes approximately six years. You will be informed when your sponsored child will start and finish the program.
